

TODAY IS THE LAST DAY OF THE BULLETIN'S BIG CONTEST

AT 9 O'CLOCK TONIGHT THE GREAT BATTLE OF BALLOTS WILL END—LAST CHANCE THE MAIN CHANCE OF ALL CANDIDATES—SUBSCRIPTIONS RECEIVED AFTER 9 P. M. WILL BE WORTHLESS, AS THE DOORS WILL BE CLOSED AT THAT HOUR—ALL PRESENT AT THAT TIME, HOWEVER, WILL BE WAITED ON

Country Subscription Mailed By 9 p. m. Will Be Accepted

EVERYTHING IN READINESS FOR THE FINAL FINISH—FINAL COUNT IN BULLETIN OFFICE AT 8 P. M. NEXT WEDNESDAY, JULY 26—TODAY IS THE TIME FOR EFFORT THAT WINS.

SPECIAL NOTICE TO CANDIDATES.

Every subscription turned in today will be investigated, as has been done in the past, and ALL VOTES SECURED ON OLD SUBSCRIPTIONS TURNED IN AS NEW WILL BE CANCELLED. THIS IS A SUFFICIENT WARNING TO PREVENT ERRORS.

THE LAST CHANCE. THE LAST DAY OF BALLOTING.

TONIGHT AT 9 O'CLOCK THE POLLS WILL CLOSE IN THE GRAND POPULARITY CAMPAIGN OF THE BULLETIN, THE GREATEST NEWSPAPER CAMPAIGN EVER HELD IN HAWAII. Promptly at the hour of 9 the doors of the contest office will be locked and no more will be admitted to the office. All these in the office at this time, however, will be given an opportunity to transact their business, but bear in mind, none will be admitted after 9 o'clock.

But the last chance is always the best. One supreme, final effort during these last hours may win you the prize which you have been working for and have set your heart upon securing. The friends who have responded with support before can hardly refuse at the moment when a little helping may mean victory.

Necessity of Being Early.

Too much stress cannot be laid upon the necessity of getting your subscriptions in as early as possible, for every moment will be taken up with some candidate and her friends. Get your subscriptions in as early as possible, and you will be sure of their being placed to your credit, and still have time left to spend in getting a few more. Nothing can be gained by holding off until the last moment, and you risk the chance of not reaching us in time by delaying. Absolute secrecy will be maintained in regard to what each contestant has turned in, as has been done in the past. The Contest Department is completely equipped with a force sufficient to take care of the rush of business.

Announcement of Winners.

The final count which will determine the winners, will take place Wednesday evening, June 26, at 8 o'clock p. m., in the business office of the Bulletin. This count will be a public one and will be in charge of Messrs. John Soper of the Hawaiian News Co., Oliver Lansing, the local real estate operator; Geo. B. Curtis, Manager of Jordan & Co., and Wm. Battersby, advertising manager of Sachs & Co. Every candidate and her friends are invited to be present and hear the announcement of the winners. This announcement will also be published in Thursday afternoon's issue, with a complete standing of every candidate for the entire contest.

A Literal Avalanche of Votes.

Since the last count a literal avalanche of votes has poured in each day and the final rush has been and will surely continue to be a big one right up to the closing minute. The uncertainty has surely stimulated every candidate to increase her vote-total by securing every subscription possible, for each has realized that her competitors were doing the very same thing. The battle of ballots has waged at a heart-breaking pace these last few days and many surprises will surely be sprung by some of the quiet but steady workers.

Surprises Galore and Disappointments.

Of course, there will be surprises galore and disappointments when the result is announced. Who knows how many "dark horses," to use an apt political expression, may forge to the front as a result of the final hours of balloting today? Some fair contestant may lose the prize she has coveted by just a few votes and some may win by the same narrow margin. Each candidate should do all in her power to add to her total of votes today, so that, if defeated, she will have no regrets over a failure to take advantage of an opportunity to win one of the magnificent awards. She should be able to say she has done her very best and the result was not her fault.

Hawaii's Greatest Contest.

Without a single exception, The Bulletin contest has been the greatest ever attempted in the Territory and has proved an unprecedented success from the very first day. No similar campaign ever conducted in Hawaii by any newspaper has aroused greater public interest in the candidates, and each has her special coterie of friends and acquaintances who are exerting every effort, as they have done throughout the contest, to help her during these last few hours. Many are going to reap the fruits of their well-planned campaigns and many are going to be surprised when they witness the work that is being done for them. As an example of this one man came into the office yesterday and paid a two-year subscription for a certain candidate. "I don't know her," he said, "but I have been watching the work she has been doing and she has acted as though she was in deepest earnest in her efforts, and I thought she might want some help." This is only one instance of what has been done for candidates and very few but have shared in some of this unknown but appreciated assistance. Much of this will be done today.

The contest has been fairly fought, and has been conducted along abso-

lutely fair and impartial lines, and the best campaigners are going to win. It will be a pleasure for The Bulletin to award these magnificent prizes to the ones who have earned them and we feel sure that they will be no less appreciated by those who receive them.

TODAY, SATURDAY, IS THE LAST DAY!
TONIGHT IS THE LAST CHANCE!

Remember that for every thousand votes you have to deposit in the ballot-box today, your nearest rival may have two thousand. Get your votes in early, if you have not already done so, and go out after more.

Remember that you have hundreds of friends who have been watching you and perhaps working for you, and who want to see you win. It is entirely up to you to do your level best to vindicate their support of you.

The fighter who makes the best stand at the last ditch is the one whom Victory loves to honor. The ballots you may unexpectedly pick up during these last few hours are the ones which may mean victory for you. Today is the time for effort that wins.

Important to Contestants.

Merely as a matter of caution and to assist candidates in every way to receive the full benefit of their work, are these lines printed. It is of the utmost importance that every contestant, and particularly contestants outside of Honolulu, read and weigh every word of it. We would dislike to see anyone lose votes because of the excitement which will surely attend the closing days, or because of any misunderstanding on their part. It is impossible for you to exercise too much care on arriving at a full understanding of the rules and conditions governing the contest.

1. All votes and remittances mailed after Thursday should bear a SPECIAL DELIVERY STAMP to insure their reaching us in time.

2. If you live outside of Honolulu and intend to mail your votes, take the precaution of finding out exactly what time your postoffice closes, and also find out all possible information in regard to train and steamer services.

3. All remittances and votes should be addressed directly to the "Contest Manager" at the Evening Bulletin office. This is to insure absolute accuracy and prevent any of them from going astray.

4. Be sure that your name is on every ballot before sending to this office. This is very important and absolutely necessary.

5. All votes and remittances must be mailed by 9 p. m. next Saturday night, June 22, in order to count in the contest. The postmark on the envelope or the postmaster's signature, showing that the envelope or package was mailed before 9 p. m., will be accepted as sufficient evidence.

6. UNDER NO CONDITIONS WILL VOTES BE TRANSFERRED FROM ONE CANDIDATE TO ANOTHER. THIS IS NO CIRCUMSTANCES WILL IT BE BROKEN.

Changing from the Weekly Bulletin to the Daily will be considered a NEW subscription. Subscriptions must be sent by mail, paid at the Bulletin office or paid to the candidate in person.

This scale will be in effect during the remainder of the contest, and will positively not be changed

When Final Votes Will Be Counted.

No More Votes Returned.

Owing to the uncertainty of mail reaching candidates in time to be returned for the final count, the Contest Department will acknowledge by letter all votes and remittances received from candidates from this time on, but the votes will NOT be returned, but will be deposited in the ballot-box, to the credit of the proper candidate, instead of being returned to candidates, as has been done so far. This applies only to subscriptions sent in to us by mail.

AIM, NOT FAILURE, IS A CRIME.

Something Important—Second Payments.

Now is the time when Second Payments are of the greatest value. For instance, Suppose a person who subscribed and paid \$4.00 for six months, can be induced to extend this subscription to a year. You received 10,000 votes on this first payment, but now, under the final vote-scale, by getting this person to pay an additional \$4.00, for six months, making a year in all, you secure the difference between the 10,000 already received, and the 40,000 votes now given for a new yearly subscription, or 30,000 votes for the additional \$4.00. These count up big right now, and NOW IS WHEN YOU NEED VOTES, WITH THE FINISH SO CLOSE. This "Second Payment" ruling applies to any new subscription you may secure, and also on old subscriptions. In fact, it works out to such a great extent that you cannot probably appreciate to what extent these will reach until you start working for extended subscriptions. Mark all such subscriptions "SECOND PAYMENT" to make certain you receive all the votes to which you are entitled.
